Karson Walton

SUMMARY

I am a motivated Engineering student with a track record of academic excellence looking for a summer job. I am a hard worker and flexible in doing any task that is asked with a positive attitude. I also have strong interpersonal skills working with both adults and children through volunteering and leading my high school robotics team.

SKILLS

- Excellent computer skills
- Trained using numerous machine shop tools
- Experience in real estate rental maintenance
- Multiple years of experience with CAD software, drawings, and assembly
- Trained in python
- Experience teaching/helping younger teens
- Experience in customer service
- Great organization skills

PRIOR WORK EXPERIENCE

Cold Stone Creamery (*Summer 2025*)

- Took, made, and served customer orders
- Worked with 2-5 other coworkers at a time
